PHOTOS - BELAVIA AND IT'S FIRST BOEING NEXT-GENERATION 737-800

News / Airlines, Manufacturer

Belavia celebrated the delivery of the airline's first Next-Generation 737-800 purchased directly from the manufacturer. Since I had the honor to meet the new board of the airline in Minsk, I can share some photo impressions:

Belavia selected the 737-800 based on business objectives set by the airline – cost efficiency and maximum range for flights to Europe and Central Asia.
