

AIRBALTIC PARTICIPATES IN AIRBUS A220 TOUR AROUND THE PACIFIC REGION

News / Airlines

***airBaltic* participates in a manufacturer's *Airbus* extensive tour around the Pacific region showcasing its *A220-300*. In total *airBaltic's A220-300* will visit nine destinations in seven countries, including three stops in Asia on the return journey to Europe.**

The first stop of the tour was the Pacific island nation of Vanuatu. The aircraft will then visit Australia (Sydney and Brisbane), New Zealand (Auckland), New Caledonia (Noumea) and Papua New Guinea (Port Moresby). On the way back to Europe, the aircraft will make a stop in Cambodia (Phnom Penh) and India (Bangalore and New Delhi).

Thus far, *airBaltic* has carried over 4 000 000 passengers on the *Airbus A220-300* aircraft with every second *airBaltic* passenger flying on the aircraft. *Airbus A220-300*'s have completed more than 40 000 flights and flown over 100 000 block hours.

The *Airbus A220-300* has performed beyond the company's expectations, delivering better overall performance, fuel efficiency and convenience for both passengers and staff. This aircraft offers an excellent flying experience with such benefits for passengers as wider seats, larger windows, more

hand luggage space in the cabin, improved lavatories and much more.

The new aircraft is also considerably quieter – with a four times smaller noise footprint. Moreover, at the moment it is the greenest commercial aircraft in the world, as it is the first aircraft to have a transparent declaration of the life-cycle environmental impact, helping to reduce CO2 and NOX emissions by 20% and 50% respectively.

As informed previously, *airBaltic* aims to minimize complexity and benefit from the additional efficiency of the *Airbus A220-300* aircraft which will be the only jet type operated by *airBaltic* by the end of 2022.

airBaltic serves over 70 destinations from Riga, Tallinn and Vilnius, offering the largest variety of destinations and convenient connections via Riga to its network spanning Europe, Scandinavia, the CIS and the Middle East.
