COMLUX AMERICA ADDS TO ITS MANAGEMENT TEAM

News / Business aviation, Personalities

Comlux America has added to its management team in Indianapolis.

The company has appointed Philippe Karam as chief procurement officer. He started his career in aviation in 2005 with Airbus, with a focus on procurement, transport logistics and contracts administration. He joined Comlux in 2011 as VP Procurement for Fly Comlux division in Zurich. In 2013, Philippe moved to Hong Kong, as VP sales Asia, to lead the opening and the growth of Comlux Group in Asia.

The company has also appointed Johannes Seeger as the head of MRO Programs. Johannes started his aviation career 25 years ago in the German Air Force, followed by Swiss International Airlines, and then Lufthansa Technik Switzerland as the Head of VIP Project Management & Customer Service. In May 2013, Johannes joined the Comlux team in Indianapolis.

> “While we are continuing full integration in-house of our cabin completions, the relationship with our suppliers and their involvement in our projects is an attribute to success for Comlux America.”

Scott Meyer, CEO Comlux America said: “While we are continuing full integration in-house of our cabin completions, the relationship with our suppliers and their involvement in our projects is an attribute to success for Comlux America. At the same time, reinforcing our program management is part of our value stream oriented consolidation to be more efficient, foster continuous improvement for increased quality and to be even more competitive in our market. “

Comlux America located in Indianapolis, Indiana is part of Comlux, The Aviation Group.
