TWO BRAND NEW GULFSTREAMS ADDED TO THE ABS JETS FLEET

News / Business aviation

Leading Czech business jets operator ABS Jets expanded its fleet by Gulfstreams G650 and G550. Both aircraft flew directly from the manufacturer´s airfields to serve the clients and voyage through the world from Prague base. They joined two other G550s and a fleet of 7 Embraer Legacies 600.

The aircraft belong to business jets with the longest range all over the world, both can fly reliably from Prague to Los Angeles or Hong Kong without refueling.

"**We are pleased to welcome these unique aircraft in our hangars. It is pleasure and honor for all of us to take care about these most modern airplanes**" said Jan Kralik, Chief Operations Officer of ABS Jets.
