METROJET APPOINTS GARY DOLSKI AS CHIEF EXECUTIVE OFFICER

News / Business aviation, Personalities

Metrojet Limited (www.metrojet.com), a leading business aircraft services provider based in Hong Kong with presence in Asia, is pleased to announce the appointment of Gary Dolski as Chief Executive Officer effective from 1 September, 2017. Gary will assume full management responsibility of Metrojet, overseeing its long term business development and strategic growth, as well as day to day operations.

“I very much look forward to this great opportunity,” said Gary Dolski, New CEO of Metrojet Limited. “With the full support from the Kadoorie Group and Metrojet’s dedicated team of professionals, we will continue to enhance and grow our business in accordance to the highest levels of safety, integrity, customer service and financial performance.”

Gary is a Canadian and has over 35 years of experience in Bristol Aerospace, Bombardier, MD Helicopters and Jet Aviation, managing these various aviation related companies in North America, Europe and Asia with particular emphasis in the business of private jets. Gary joined Metrojet as the Managing Director of Aircraft Management and Charter in April 2017 and brings significant business experience and relationships from across the Asia Pacific region.

Established in 1995 and awarded Air Operator's Certificate in 1997, Metrojet is a leading business jet operator and maintenance provider in Asia. The Company provides comprehensive aircraft management, charter, maintenance and consultancy services, and pioneered business aviation services for 20 years in Hong Kong.
