

GENERAL AGREEMENT: DC AVIATION & AEROVISTO GROUP

News / Business aviation

DC Aviation has signed a general agreement with AeroVisto Group. AeroVisto is specialized in the field of certified interior refurbishment and technology solutions for business and commercial aircraft. AeroVisto will supply all aircraft interior services required by DC Aviation. The works will include cabin refurbishment, repairs, cabin modifications and upgrades with latest cabin technologies.

Juergen Sehne, Vice President Maintenance & CAMO of DC Aviation said: “Our aim is to enable top quality work on the interior of our managed fleet and to aircraft of third party customers. We are very pleased that with this agreement we are able to offer our clients the whole range of interior refurbishment and renovation services. With AeroVisto we have a very experienced and flexible partner at our side with large technical know-how and the highest level of craftsmanship. The cooperation with AeroVisto underscores the high quality standard we apply to our business jets.”

Hermann Bauer, Executive Director Operations of AeroVisto Group added: “We feel very proud and honoured that DC Aviation has selected us as its strategic interior partner. To us, this is a consistent next step in our strategy to strengthen our market presence in the aviation interior refurbishment market in EMEA region. With our new partner DC Aviation, we share common values in terms of Quality, Passion and Innovation”.

In the course of the year DC Aviation and AeroVisto have already successfully worked together on a number of projects.
