AIRFRAME MAINTENANCE AGREEMENT - AIRBUS AND MAGNETIC MRO

News / Maintenance / Trainings, Manufacturer

Magnetic MRO and Airbus have signed a long term airframe maintenance agreement for the support and maintenance of Airbus family aircraft. "The Total Technical Care is not only about the quality of MRO services. It's also about first-class customer support, transparent processes, and exceptionally high procedural standards. We're very proud of our team which has proven to meet these standards on numerous occasions. We are glad to expand our partnership with Airbus and share the experience of Magnetic MRO high quality of service with them and their partners. This has definitely opened new horizons for Magnetic MRO, and we are looking forward to wide cooperation now that we are an approved supplier for Airbus maintenance-related activities," shared Inga Duglas, Chief Commercial Officer at Magnetic MRO.
